Cal OES INLAND REGION

Oroville Dam Spillway Scheduled Water Release, Butte County

On 03/31/19 at 1126 hours, the California State Warning Center (CSWC) was notified by the Department of Water Resources (DWR) that the Emergency Action Plan (EAP) for Oroville Dam High Flow Operations was activated as a precautionary measure only. No hazard or threat to the Oroville Facilities exists.

Per DWR as of 04/06/19 at 1230 hours:

- At 1000 hours on 04/05/19, Oroville Dam increased release amount to 25,000 CFS (Cubic Feet per Second); no scheduled plans to increase release rate.
- The Spillway is currently releasing water at a rate of 14,800 CFS.
- The Hyatt Power Plant (at the base of the dam) is releasing 10,500 CFS.
- Approximately 24,994 CFS is being released into the Feather River.
- DWR will continue to notify local emergency management agencies and entities along the Feather River of significant changes in releases from Lake Oroville.
- Cal OES Dam Safety will stay engaged with the dam owner throughout the water release and keep CSWC up-to-date if anything changes.
- CSWC will continue to monitor the situation and provide updates as they become available.

Cal OES COASTAL REGION

- Nothing significant to report.

Cal OES SOUTHERN REGION

- Nothing significant to report.

WEATHER OF CONCERN

NORTHERN CALIFORNIA

- Several weather systems will impact Northern California through the weekend into next week.
 - The heaviest rainfall will occur over western Shasta County where 2 to 3.5 inches may accumulate over the next several days.
- Periods of snow will impact Sierra passes and areas above 6500-7000' through this evening.
- Sunday, the jet stream lifts northward with only light amounts of precipitation possible over the coastal range and Shasta County.
- The system will move through on Monday and Monday night, bringing the best precipitation chances throughout the northern interior.

SOUTHERN CALIFORNIA

- No significant weather to report.

WEATHER KEY POINTS

04/06/19 - 04/12/19

Saturday

- Gusts to 55 mph possible along the far northern coast of California through the morning
- Additional rain showers will move west to east across Northern California through the day. No significant impacts.

Sunday-Monday

- An additional wet weather system will move across far northern CA
 - Periods of heavy rain mainly along the northern coastal areas and the CA/OR border
 - Flooding possible along smaller creeks and streams. Areal flooding is possible in urban areas. There is also a threat of landslides and rock falls.
- Gusty offshore winds develop across Southern CA and significantly raise high temperatures well into the 70s and 80s. The gusty winds may impact travel.
- Relative humidity will drop to near 15 to 20 percent across southern California on Monday

Tuesday

- Cooler temperatures return with snow levels dropping to 5500 feet in the northern areas. Snow may cause travel impacts over the Sierra.
- Gusty winds continue across southern CA. The strongest winds during this period are possible Tuesday Night.

Wednesday

- Dry conditions across much of the state with no significant impacts. Cooler temperatures continue.
- Gusty winds continue across southern CA but begin to weaken

Thursday-Friday

- A weak storm system will move across the state. Snow over the Sierra may cause travel impacts.

Cal OES LAW ENFORCEMENT MISSIONS

Cal OES Law Missions

- **2019-LAW-782, 04/05/19, 1507 hours:** Request from Santa Cruz Sheriff's Office (SO) for assistance on a missing person in Big Basin State Park (SP). Subject has called in sick for the last 3 days to work and has not been seen around his residence. His vehicle was found on Hwy. 246 at Big Basin SP. Request for 2 trailing K9s and 20 Type I or II ground searchers for 04/06/19, 0700 hours in Big Basin SP. Requests made to State K9 Coordinator, Monterey County and San Benito counties. Monterey County sending 10-12, San Benito sending 13, and 2 K9s confirmed for the search. **MISSION ONGOING**
- **2019-LAW-756, 04/04/19, 1955 hours:** Request from Santa Clara SO to support Milpitas Police Department (PD) on a missing person case from 03/07/19. Subject, WMA 63 years old walked away from his home in Milpitas on that day after an argument with his spouse, possibly was suicidal. Has not been seen since walking towards Ed Levin County Park. Request is for 5 type C1 or C2 K9s with flankers and 10 Type II ground searchers to assist on 04/07/19, 0800 hours. Requests made to San Mateo County SAR and the State K9 Coordinator. **Update: 04/05/19:** State K9 Coordinator and San Mateo County have filled the request. **MISSION ONGOING**
- **2019-LAW-580, 03/29/19, 1432 hours:** Sacramento County Sheriff's Office (SCSO) requested 3 water HRD K9s in reference to a possible drowning of a 42 year old man in the Sacramento River. The male went into the river to save his one year old child. Child was spotted by a CHP helicopter as a part of the response and then transported to UC Davis. Male has not been located. Cal OES Law Enforcement Branch (LEB) canine coordinator is coordinating the request. **Update: 2016 hours:** SCSO requested Contra Costa Dive Team be put on stand by for tomorrow for continued search. Contra Costa dive team has accepted the mission. **Update: 03/31/19:** Search has been suspended due to unsafe conditions for searchers/divers in the river. The speed of the river and limited visibility has created too great a risk to continue at this time. **Update: 04/04/19:** Tulare County SO is assisting in the search with Side Scan Sonar and ROV. **Update: 04/05/19:** Tulare County will remain with their equipment and continue to assist in the search. **MISSION ONGOING**
- **2019-LAW-526, 03/27/19, 0830 hours:** Santa Cruz SO, requested 7 HRD canine teams to assist with a Law Enforcement sensitive mission. Mission scheduled for 04/06/19. Cal OES LEB canine coordinator is coordinating the request. **MISSION ONGOING**

Cal OES MISSION TASKING

Cal OES Missions

- **2019-SOC-275:** Request for Caltrans Engineer to provide initial technical assistance and determine the scope of the storm drain assessment project alongside city contractors for the town of Paradise. (Coordinating)
- **2019-SREOC-57753:** Requesting equipment to excavate material from under road culverts. (On Scene)
